This book is special because of the amazing world that Cambias has created. The underwater setting is a-mazing and brings a lot of cool details and situation to the story. This story works because of the skill of the author. Fri, 30 Nov 2018 19:36:00 GMT [PDF] År Unlimited Å• A Darkling Sea : by James L. Cambias - review 1: With this book, now two of my college gaming buddies are published novelists (the other is Jenna Black). This is an interesting, well-constructed story about a research station under the ice of a moon in another star system, where humans are studying an intelligent aquatic race, and having to abide by the restrictions placed on them by another, older star-faring species.
