A while ago we delivered the first serially-produced model and the happy owner let us take some amazing air-to-air photos of his flying beauty together with one of her older "sisters". Panthera - "It is with the submarine that the initiative and full freedom of the seas rests. The aircraft carrier, whatever realistic scenario of action is drawn--that of operations in great waters or of amphibious support close to shore--will be exposed to a wider range of threat than the submarine must face. Never Say Never Again: Aircraft/Amphibious carriers must ... -
