Thanks for helping out on
here Dean. I guess the main
questions I have about the
handset are: 1) How similar
is this to the Optus 4G Fit?
I understand the hardware is
a bit different but I guess i'd
like to know if it is the
same body/size/shape so I
can look for cases and
screen protectors (seems
these are hard to find for the
4GX Buzz model at the
moment). Fri, 07 Dec 2018
